Adult and Community Services: Reporting Spreadsheet 2009-2010: Healthy

PI REF	INDICATOR	PI TYPE	2009-2010 OUTTURN			2010-11 TARGET	Q1			PROJECTION			STATUS	DIRECTION	COMMENTARY
			NUM	DENOM	VALUE		NUM	DEN	VALUE	NUM	DEN	VALUE			
COMMUNITY STRATEGY AND LAA INDICATORS															
126	Early access to maternity services (% of women who have seen a midwife or an appropriate healthcare professional for a health and social care assessment of needs and risk by 12 weeks)	CS	996	1048	**95%**	**83%**	0	0	**93.3%**	0	0	**93.3%**	**On track**	**Declining**	This NHS Bolton Indicator is currently on track and approximately 10% above target.
130	Number of adults, older people and carers receiving self-directed support in the year to 31st March as a percentage of clients receiving community based services and carers receiving carer's specific services aged 18 or over	CS	1839	9134	**20.1%**	**30%**	1422	6623	**21.5%**	2145	9134	**23.5%**	**Off track**	**Improving**	The projection forcasts that 23.5% of clients will be in receipt of SDS by the end of the year. The Self Directed Support process continues to be embedded and piloted and we are still at an early point in the year. It is anticipated that the wider rollout of the SDS process will increase numbers as we go through the year and although this is being classed as 'off track' the indicator is still showing good progress and improving on 2009-10.
135	Carers receiving needs assessment or review and a specific carer's service, or advice and information	CS	2206	8516	**26%**	**36%**	451	6483	**7.0%**	1804	8516	**21.2%**	**Off track**	**Declining**	This indicator is off track at Quarter One but it is expected that this figure will improve - firstly with the recent launch of the Carer's Voice network which will develop into the carer's council to allow carer's voices to be heard and will help shape services based on their needs.; and secondly the Carer's Resource Centre opened in June which will develop and promote services for carers.
NATIONAL INDICATORS															
132	Timeliness of social care assessment (all clients 18+)	NI	3720	4864	**76%**	**80%**	818	1055	**77.5%**	818	1055	**77.5%**	**Off track**	**Improving**	This figure is showing a slight improvement on 2009-10 however it remains below the target level of 80% and therefore off track. This has been raised with SCMT and an action plan is to be put in place for 2010-2011.
133	Timeliness of social care packages (all clients)	NI	2829	3828	**74%**	**85%**	348	365	**95.3%**	348	365	**95.3%**	**On track**	**Improving**	At Q1 this indicator is showing signs of improvement with an outturn of 95.3% against a target of 85%. This indicator will continue to be closely monitored throughout the year.
136	People supported to live independently through social services	NI			**2946**	**n/a**	0	0	**3038**	0	0	**3038**	**Not reportable**	**Not reportable**	The Q1 figure for NI 136 shows that the council is supporting an increased number of people compared with 2009-2010, but shows good progress in this area.
REMAINING INDICATORS (PAF AND VITAL SIGNS)															
C29	Adults with physical disabilities helped to live at home (per 1,000 head of population)	LPI (PAF)	642	160183	**4.01**	**3.75**	635	160183	**3.96**	635	160183	**3.96**	**On track**	**Declining**	At Q1 there are 635 adults with physical disabilities helped to live at home. This indicator is on track and performing well although it is declining slightly from the 2009-10 figure.
C30	Adults with learning disabilities helped to live at home (per 1,000 head of population)	LPI (PAF)	532	160183	**3.32**	**3.2**	537	160183	**3.35**	537	160183	**3.35**	**On track**	**Improving**	This indicator is on track and improving at Q1 with 537 people with learning disabilities helped to live at home - a slight increase in comparison with 2009-10.
C31	Adults with mental health problems helped to live at home (per 1,000 head of population)	LPI (PAF)	1207	160183	**7.54**	**7.41**	1236	160183	**7.72**	1236	160183	**7.72**	**On track**	**Improving**	This indicator is on track and improving at Q1 with 1236 people with mental health problems helped to live at home - a slight increase in comparison with 2009-10.
C32	Older people helped to live at home (per 1,000) BVPI 54	LPI (PAF)	3217	40487	**79.46**	**67.03**	3251	40487	**80.30**	3251	40487	**80.30**	**On track**	**Improving**	This indicator is performing well with 3251 older people helped to live at home at Q1. This is an increase when compared with 2009-10 and means the indicator is on track and well above target.
C33 (VP)	Vulnerable People helped to live at home	LPI (PAF)	15	160183	**0.09**	**0.1**	16	160183	**0.10**	16	160183	**0.10**	**On track**	**Improving**	This indicator shows that there are 16 vulnerable people helped to live at home at Q1, which is an increase of 1 in comparison to 2009-10.
C34 (SM)	Substance Misuse (helped to live at home)	LPI (PAF)	15	160183	**0.09**	**0.19**	17	160183	**0.11**	17	160183	**0.11**	**Off track**	**Improving**	The snapshot of the number of people with substance misuse issues supported to live at home at remains off track but is improving by 2 clients on the 2009-10 figure. There will be a focus on this area to improve the figure throughout 2010-2011.
C72	Older people aged 65 or over admitted on a permanent basis to res/nursing care (per 10,000 pop)	LPI (PAF)	303	40487	**74.84**	**75.37**	82	40487	**20.25**	328	40487	**81.01**	**Off track**	**Declining**	This indicator has remained on track and performing well, sitting just under the target limit with 303 older adults admitted on a permanent basis to residential or nursing care in the year.
C73	Adults aged 18-64 admitted on a permanent basis to residential/nursing care (per 10,000 pop)	LPI (PAF)	24	160183	**1.50**	**1.12**	2	160183	**0.12**	8	160183	**0.50**	**On track**	**Improving**	This indicator has gone past the target limit of 14 - at year end there have been 24 younger adult permanent admissions, and these can be broken down as follows: 14 MH, 6 PD, 4 LD.
D37	Availability of single rooms (%)	LPI (PAF)	320	331	**96.68%**	**97%**	74	76	**97.37%**	74	76	**97%**	**On track**	**Improving**	The single rooms indicator has remained on track and above the target of 97%.
D40	Clients receiving a review (%) (KT<50%)	LPI (PAF)	7285	9038	**80.60%**	**90%**	2064	6891	**0.30**	8256	9038	**91.3%**	**On track**	**Improving**	The projection for the reviews indicator shows the figure to be on track and improving at Q1.
D54	Percentage of equipment/adapts delivered within 7 working days BVPI 56(KT<55)	LPI (PAF)	21248	22121	**96.05%**	**95%**	4524	4722	**0.96**	4524	4722	**95.8%**	**On track**	**Declining**	This indicator continues to perform consistently at 95.8%, currently just above the target of 95%.
E47	Ethnicity of older people receiving assessment (ratio)	LPI (PAF)	4.49	3.6241	**1.24**	**1.48**	4.6	3.6241	**1.27**	4.6	3.6241	**1.27**	**On track**	**Improving**	This indicator remains within the acceptable ratio band and continues to perform well.
E48	Ethnicity of older people receiving services following an assessment (ratio)	LPI (PAF)	4.69	4.49	**1.04**	**1.03**	4.73	4.6	**1.03**	4.73	4.6	**1.03**	**On track**	**Improving**	The ratio is almost exactly at 1 and is excellent performance showing consistent in terms of ethnicity and assessment leading to services.
KT2	% of adults and older adults assessed in year where ethnicity is unknown (KT>10)	LPI (PAF)	38	4733	**0.01**	**0.7%**	5	955	**0.01**	5	955	**0.5%**	**On track**	**Improving**	This indicator remains within the threshold with 5 cases of missing ethnicity - these are being followed up.
KT3	% of adults and older adults receiving services where ethnicity is unknown (KT>10)	LPI (PAF)	63	9038	**0.01**	**0.2%**	64	6963	**0.01**	64	6963	**0.92%**	**Off track**	**Declining**	There has been an increase in missing ethnicity at Q1 and the target has also been lowered for this year. TBC

COMMUNITY STRATEGY AND LAA INDICATORS																
15	Serious violent crime rate (per 1000)	LAA	BeSafe	222	262781	**0.84**	**0.87**	57	262781	**0.22**	228	262781	**0.87**	On track	Declining	The serious violent crime indicator remains on track, with a projected rate of 0.87 crimes per 1000 of the population. There have been 57 serious violent crimes so far in 2010-11, which gives a projection of 228 for year end, which would be 5 more crimes than 2009-10.
16	Serious acquisitive crime rate (per 1000)	LAA	BeSafe	4460	262781	**16.97**	**22.46**	1050	262781	**4.00**	4200	262781	**15.98**	On track	Improving	The figures for serious acquisitive crime show this indicator to be well on track and improving on 2009-10. There have been 1050 serious acquisitive crimes this year which gives a projection of 4200 for the year - this is well below the target limit, therefore representing excellent performance in this area.
144	Offenders under probation supervision in employment at the end of their order	CS	BeSafe			**0.46**	**46%**			**56%**			**56%**	On track	Improving	This indicator is performing well at 55.6% which is almost 10% above the target.
LPI	Criminal Damage (new local PI to replace 10 key crimes)	CS	BeSafe	4317	262781	**16.43**	**n/a**	1023	262781	**3.89**	4092	262781	**15.57**	On track	Improving	This indicator is being reported as on track at Q1 as although there is no formal target set, the projection of the figure shows it to be improving on last year. Target to be confirmed as soon as possible.
NATIONAL INDICATORS																
20	Assault with injury crime rate (per 1000)	NI	BeSafe	1638	262781	**6.23**	**7.09**	443	262781	**1.69**	1772	262781	**6.74**	On track	Declining	The assault with injury indicator is on track at Q1 with a projection of 1772 crimes by year end which would be within the target but decling from 2009-10.
28	Serious knife crime rate (per 1000)	NI	BeSafe	193	262781	**0.73**	**0.67**	45	262781	**0.17**	180	262781	**0.68**	Off track	improving	At Q1 the serious knife crimes indicator projection shows the indicator ro be slightly off track with an outturn of 0.68 crimes per 1,000 of the population, against a target of 0.67. However, the gap in performance is only 5 incidents - TBC
29	Gun crime rate (per 1000)	NI	BeSafe	25	262781	**0.10**	**0.23**	4	262781	**0.02**	16.00	262781	**0.06**	On track	Improving	There have only ben 4 instances of gun crime at Q1 which gives a projection of 16 crimes by year end. This indicator is well on track and improving on last year, representing excellent progress in this area.
143	Offenders under probation supervision living in settled and suitable accommodation at the end of their order or licence	NI	BeSafe	n/a	n/a	**95%**	**86%**			**92%**			**92%**	On track	Declining	This indicator is performing well at 91.5% which is over 5% above the target.

Adult and Community Services: Reporting Spreadsheet 2009-2010: Strong and Confident

COMMUNITY STRATEGY AND LAA INDICATORS																
142	Vulnerable people supported to maintain independent living	CS	Social Care			**98.89%**	**98.80%**			0.992			**99.20%**	**On track**	**Improving**	At Q1 this indicator remains just above target and has improved slightly on the 2009-10 outturn, with a current figure of 99.2%.
149	Adults in contact with secondary mental health services in settled accommodation	CS	Social Care	1122	1302	**86.18%**		1405	1626	**86.41%**	1405	1626	**86%**	**On track**	**Improving**	This indicator has shown excellent signs of improvement throughout the year and is performing well with 86% of mental health clients in settled accommodation. Although there has been a 2% drop since Q3, the year end outturn is well above the target of 67%. This is an indicative figure only at this stage.
LPI	To increase engagement and participation of young people in Bolton's Cultural Activity	CS	Culture			**291,432**	**261,056**			**54,608**			**54,608**	**Off track**	**Declining**	This indicator is below target for Q1, this is partly due to a decrease in numbers visiting the central museums, archives and aquariums.
LPI	Hate Crimes	CS	BeSafe	340	262781	**1.29**	**1.33**	114	262781	**0.43**	456	262781	**1.74**	**Off track**	**Declining**	There have been 114 instances of hate crime so far this year and the projection is for 456 instances by year end. The indicator shows that there would be 1.74 hate crimes per 1,000 of the population which is on track against the this year's target of 1.33.
NATIONAL INDICATORS																
141	Number of vulnerable people achieving independent living	NI	Social Care			**81.10%**	**74%**			**76%**			**76.25%**	**On track**	**Declining**	Although this indicator has declined slightly since 2009-10 it is currently performing well at 76.25%. The figure is just above target at Q1 although it is declining on last year's outturn.
145	Adults with learning disabilities in settled accommodation	NI	Social Care	457	679	**67.30%**	**70%**	80	602	**13.29%**	320	679	**47.13%**	**Off track**	**Declining**	This indicator is technically declining due to an anomaly in the method required for last years reporting which resulted in an outturn of 100%. A proxy figure had been used up until February in the absence of service information this year. The year end figure shows an outturn of 67.3%, which although is significantly down on the proxy figure, is an improvement on the figure of 41.7% which was reported at Q1. As there is no target set, this is being reported as on track.
146	Adults with learning disabilities in employment	NI	Social Care	12	679	**1.77%**	**2.4%**	1	602	**0.17%**	4	679	**0.59%**	**Off track**	**Declining**	There are now 12 of the 679 LD clients assessed this year in employment, which is an increase of 10 clients since Q1. However, the rate has fallen from 8.3% in Q1 to 1.8% currently. This has been identified as an area of focus for improvement and work is ongoing to improve this figure going forward into 2010-2011. There is no target set however it is being reported as off track as it is currently below last year's outturn.
150	Adults in contact with secondary mental health services in employment	NI	Social Care	100	1302	**7.68%**		87	1626	**5.35%**	87	1626	**5%**	**On track**	**Declining**	This indicator has remained consistently above the target of 5% this year and at year end is at 8% which represents good performance. This is an indicative figure only at this stage.

This would be within the target set during April 2010 to
21	Dealing with local concerns about anti-social behaviour and crime by the local council and police	Safer	M	Beliuda			27.9%	33%																On track	Improving	Information from the CAP Quarterly survey shows 27.9% of people think that the police and the council are dealing with anti-social behaviour effectively. This is a slight drop on the 28.4% figure but we are still on target, but please note that this is a survey figure and is subject to change. Results are based on a different survey which may change the result.
37	Understanding of local concerns about anti-social behaviour and crime by the local council and police	Safer	LAA	Beliuda			32.2%	34%																On track	Declining	Information from the CAP Quarterly survey shows 32.2% of people think that the police and the council understand local concerns effectively. This is a slight drop on the 32.4% figure but we are still on target, but please note that this is a survey figure and is subject to change. Results are based on a different survey which may change the result. Trends are between confidence intervals.
39	Serious knife crime rate (per 1000)	Safer	M	Beliuda	170	262781	0.73	0.47	43	262781	0.17										180	262781	0.68	Off track	Improving	At Q1 the serious knife crime indicator projection is 0.68 crimes per 1000 of the population. There were a further 43 off crime over Q2 in the year projected against a target of 0.47. However the gap is closing and the trend is moving in the right direction.
47	Gun crime rate (per 1000)	Safer	M	Beliuda	20	262781	0.10	0.03	4	262781	0.02										14	262781	0.05	On track	Improving	There have only been 4 instances of gun crime at Q1 which gives a projection of 14 crimes by year end. This indicator is well on track and improving on last year, representing excellent progress in this area.
48	Re-offending rate of prolific and priority offenders	Safer	M	Beliuda	n/a	n/a	n/a	n/a																		
53	Arson incidents per 10,000 of the population **TCCBL**	Safer	M	Beliuda	1423	262781	54.15	51.28	610	262781	23.40										3440	262781	79.27	Off track	Declining	Not reporting at Q1 due to no complete 1/apr/ information available
53	Arson incidents (primary fire) per 10,000 of the population	Safer	M	Beliuda	420	262781	15.98	n/a	99	262781	3.77										396	262781	16.87	On track	Improving	Not reporting at Q1 due to no complete 1/apr/ information available
55	Arson incidents (secondary fires) per 10,000 of the population	Safer	M	Beliuda	1955	262781	38.17	n/a	916	262781	17.44										2264	262781	76.42	On track	Declining	Not reporting at Q1 due to no complete 1/apr/ information available
56	Domestic violence - murder (per 1000)	Safer	M	Beliuda	1	262781	0.004	0																On track	Improving	At the stage in the year there has been only one domestic violence murder and this is on track for a projection of within the year which is the same as last year and is on track to achieve its target. The target will be met if there is no further murder. Although this is a positive result, the trend is moving with the police in relation to domestic violence protection, due to the increase in prosecution.
76	Protective against terrorist attack	Safer	M	Beliuda	n/a	n/a	n/a	n/a																		Annual
82	Rate of hospital admissions for alcohol related harm (per 100,000)	Healthy	LAA	Health and W L	n/a	n/a	1897	2052																On track	Improving	The rate and number for the indicator is 1897 which shows that there has been a 7.48% reduction on the 2009 10 figure. The indicator is on track to meet the target of 2052 and at the first stage of the year is showing a positive start to reporting.
83	Number of drug users recorded as being in effective treatment	Healthy	LAA	Health and W L			1440	1480																Off track	Declining	The indicator for drug users recorded to be in effective treatment is currently off track at 1440 which is a drop of 1.4% from the 2009 10 figure of 1460. This is the number of individuals for this figure, but clients for end of year reporting will be 1480.
91	Perceptions of drunk or rowdy behaviour as a problem	Safer	M	Beliuda																						Annual
92	Perceptions of drug use or drug dealing as a problem	Safer	M	Beliuda																						Annual
49a	Number of **primary fire** (per 100,000)	Safer	M	Beliuda	801	262781	223.8	286.6	228	262781	86.8										912	262781	347.1	Off track	Declining	Not reporting at Q1 due to no complete 1/apr/ information available
49b	Related Fatalities (per 100,000)	Safer	M	Beliuda					1	262781	0.4													FALSE	Improving	Not reporting at Q1 due to no complete 1/apr/ information available
49c	Non Fatal Casualties, excluding precautionary checks (per 100,000)	Safer	M	Beliuda					13	262781	5.7													FALSE	Improving	Not reporting at Q1 due to no complete 1/apr/ information available
119	Self reported measure of people's overall health and well being (9 survey questions)	Healthy	LAA	Social Care				73.4%																		Annual
120	All age all cause mortality rate - males	Healthy	LAA	Health and W L	n/a	n/a	n/a	628																		Information for this indicator is not available at this stage, so work and outcomes are yet to be finalised with Public Health.
120	All age all cause mortality rate - females	As above	As above	As above	n/a	n/a	n/a	313																		Information for this indicator is not available at this stage, so work and outcomes are yet to be finalised with Public Health.
121	Mortality rate from all circulatory diseases at ages under 75	Healthy	M	Health and W L	n/a	n/a	n/a	84.67																		Information for this indicator is not available at this stage, so work and outcomes are yet to be finalised with Public Health.
122	Mortality from all cancers at ages under 75	Healthy	M	Health and W L	n/a	n/a	n/a	112.60																		Information for this indicator is not available at this stage, so work and outcomes are yet to be finalised with Public Health.
123	Stopping Smoking	Healthy	LAA	Health and W L	n/a	n/a	n/a																			Information for this indicator is not available at this stage, so work and outcomes are yet to be finalised with Public Health.
124	People with long term conditions supported to live independently through personalisation/self-directed support	Healthy	CS	Health and W L	n/a	n/a	n/a	n/a																		Annual. Should have data from Mosaic for this service users.
125	Achieving independence for older people through rehabilitation/intermediate care	Healthy	CS	Health and W L																				Off track	Declining	The year end out-turn measuring achieving independence for older people through rehabilitation/intermediate care is 82.76% at Q4. Indicative figure as it does not currently include ICES data.
126	Early access to maternity services (% of women who have seen a midwife or are receiving midwifery led care before the 13th week of pregnancy) - Number of women seen by midwife and the 12 weeks	Healthy	CS	Health and W L	496	1048	93%	93.4%															93.4%	On track	Declining	The NHS Bolton indicator is currently on track and opportunity rates 10% above target.
127	Rol of the palliative care - place to die of home	Healthy	CS	Health and W L	n/a	n/a	n/a	n/a																		Information for this indicator is not available at this stage, so work and outcomes are yet to be finalised with Public Health.
128	Number of adults, older people and carers receiving self directed support in the year as a percentage of clients receiving community based services in the year. Number of adults, older people and carers receiving specific services aged 18 or over	Healthy	CS	Social Care	5838	9134	63.9%	65%	1422	6633	21.4%										3145	9134	23.8%	Off track	Improving	The projection from Mosaic for 25.8% of clients will be in receipt of SDS by the end of the year. The 23.8% is the current projected end out-turn which is on track to achieve the target of 65% by year end. The 23.8% is the current projection for Q4 and the out-turn will be taken of the SDS accurate administered numbers as we go through the year and although this is being monitored, it is not a true figure until the end of the year's progress and improving on 2009 10.
131	Delayed transfers of care from hospital	Healthy	M	Health and W L	n/a	n/a	n/a														0		0	Not reportable	Not reportable	TBC
132	Timeliness of social care assessment (all clients) (NI)	Healthy	M	Social Care	9720	9954	76.6%	80%	618	1055	77.9%										1916	1055	77.9%	On track	Improving	The figure is showing a slight improvement on 2009 10 figure of 76.6% and is projected at 77.9% by the end of March. The 76% total stated is the PCAP end out-turn figure and not a status as 2010-2011.
133	Timeliness of social care packages (all clients) (NI)	Healthy	M	Social Care	8659	9638	89.8%	90%	548	563	90.3%										548	563	90.3%	On track	Improving	At Q1 the indicator is showing signs of improvement with an out-turn of 90.3% against a target of 90%. The indicator is on track to meet the target of 90% throughout the year.
134	The number of emergency bed days per head of weighted population	Healthy	M	Health and W L	n/a	n/a	n/a	n/a																		
135	Carers receiving needs assessment or review and a specific carer's service, or advice and information	Healthy	CS	Social Care	3236	9514	33.9%	34%	643	6483	7.9%										1804	9514	21.2%	Off track	Declining	The indicator is off track at Quarter One but it is expected that this figure will improve. Data will be collected from the Carers Survey and the Mosaic will provide info The Carer's Council to allow more accurate information to be collected. Although this is lower than needs, once recorded, the indicator will exceed 2009 10 figures and is projected to be 21.2% by year end.
136	People supported to live independently through social services	Healthy	CS	Social Care			2966	4150			3038												3038	Not reportable	Not reportable	The Q1 figure for 06 10 states that the council is supporting 3038 people to live independently. This is consistent with 2009 2010, which is good progress in this area.
137	Satisfaction of people over 65 with both home and neighbourhood	Healthy	M	Social Care				63%																		Annual
138	People over 65 who say that they receive the information, assistance and support needed to exercise choice and control to live independently	Healthy	M	Social Care				26.9%																		Annual
140	Number of vulnerable people achieving independent living	Strong and Confident	CS	Social Care	81.18%	73.5%															76.36%			On track	Declining	Although the indicator has declined slightly on the 2009 10 figure of 81.18% to 76.36%, the 76.36% figure is just above target of Q1 although it is declining and will be monitored.
141	Vulnerable people supported to maintain independent living	Strong and Confident	CS	Social Care			96.64%	96.8%													99.28%			On track	Improving	At Q1 this indicator remains just above target and has improved slightly on the 2009 10 outturn, with a current figure of 99.28%.
142	Offenders under probation supervision living in settled and suitable accommodation at the end of their order or licence	Safer	M	Beliuda	n/a	n/a	92%	86.4%															91.8%	On track	Declining	This indicator's performing well at 91.8% which is over 5% above the target.
144	Offenders under probation supervision in employment at the end of their order or licence	Safer	CS	Beliuda			46%	44%															58.4%	On track	Improving	The indicator is performing well at 58.4% which is 14% above the target.
145	Adults with learning disabilities in settled accommodation	Strong and Confident	M	Social Care	437	479	47.4%	70%	80	450	15.9%										330	479	68.9%	Off track	Declining	The indicator is technically declining due to an anomaly in the method Mosaic for the year end reporting which resulted in an outturn of 108%. A correction has been applied to the Mosaic and the figure of service improvement for Q1. The indicator is off track at Q1 with a projected figure of 68.9% although it significantly drops on the 2009 figure, it is a correction of the anomaly in the 2009 10 figure reported at Q1. The figure is in target and this is being reported to DH.
146	Adults with learning disabilities in employment	Strong and Confident	CS	Social Care	12	479	1.8%	3.34%	1	450	0.2%										4	479	0.8%	Off track	Declining	There are now 12 of the 479 LD clients assessed for employment. This is a projected figure of 0.8% for 2010 2011. However, the only two clients who have been assessed as ready for employment are in the process of applying for jobs and it is hoped that the figure will be 2.5% by year end. The indicator is off track for Q1 and is currently below the target.
147	Adults in contact with secondary mental health service in settled accommodation	Strong and Confident	CS	Social Care	1122	1383	86%														1405	1426	96.41%	On track	Improving	The indicator has shown excellent signs of improvement this year and is performing well above the 2009 10 figure of 86% for settled accommodation. Although there has been a 1% drop from Q3 to Q4, the indicator is still on track for the target of 97%. This is an indicative figure at this stage.
150	Adults in contact with secondary mental health service in employment	Strong and Confident	M	Social Care	120	1383	9%														97	1426	6.88%	On track	Declining	The 2009 10 figure remained consistently close to the 9% target throughout the year. The 6.88% figure is a projected figure for the year end and is on track to achieve the target.
151	Adults with physical disabilities helped to live at home (per 1,000 population)	Healthy	LAA	Social Care	642	140183	4.57	5.75	655	140183	2.74										655	140183	4.74	On track	Improving	At Q1 there are 655 adults with physical disabilities helped to live at home. This indicator is on track and performing well at Q1 and is slightly above the 2009 10 figure.
152	Adults with learning disabilities helped to live at home (per 1,000 head of population)	Healthy	LAA	Social Care	332	140183	2.32	2.2	327	140183	2.33										327	140183	2.34	On track	Improving	The indicator is on track and improving at Q1 with 327 adults with learning disabilities helped to live at home. A slight increase in comparison with 2009 10.
153	Adults with mental health problems helped to live at home (per 1,000 head of population)	Healthy	LAA (Part)	Social Care	1097	140183	7.82	7.47	1036	140183	7.73										1036	140183	7.73	On track	Declining	The indicators on track and improving at Q1 with 1036 people with mental health problems helped to live at home. A slight increase in comparison with 2009 10.
155	Older people helped to live at home (per 1,000) **(LAA 1a)**	Healthy	LAA (Part)	Social Care	5217	40467	71.16	67.29	1051	40467	85.33										3251	40467	80.33	On track	Improving	The indicator is performing well with 3251 older people helped to live at home at Q1. This is an increase when compared with 2009 10 and means the indicator is on track and well above target.
C30 (LAP)	Vulnerable People helped to live at home	Healthy	LAP (Part)	Social Care	13	140183	0.09	0.15	14	140183	0.13										14	140183	0.13	On track	Improving	The indicator shows that there are 14 vulnerable people helped to live at home at Q1 with an increase of 1 compared to 2009 10.
C64 (lap)	Substance Misuse Helped to live at home	Healthy	LAP (Part)	Social Care	15	140183	0.09	0.19	17	140183	0.11										17	140183	0.11	Off track	Improving	The snapshot of the number of people with substance misuse helped to live at home at Q1 is 17 which is an increase of 2 when compared with 2009 10 figure. There will be a focus on this area to improve the figure throughout 2010-2011.
C72	Older people aged 65 or over admitted to hospital in a planned basis during the year (per 1,000 pop)	Healthy	LAP (Part)	Social Care	503	40467	74.64	73.27	82	40467	20.26										538	40467	81.22	Off track	Declining	The indicator has remained on track and performing well at Q1 with 538 older people admitted on a planned basis during the year. The indicator is on target to be met.
C73	Adults aged 18-64 admitted on a planned basis during the year (per 1,000 pop)	Healthy	LAP (Part)	Social Care	24	140183	1.88	1.12	2	140183	0.12										8	140183	0.55	On track	Improving	The indicator has gone past the target level of 1.12 at Q1 with 8 adults aged 18-64 admitted on a planned basis during the year. The indicator is on track and performing well.
D37	Availability of single rooms (%)	Healthy	LAP (Part)	Social Care	530	591	96.68%	97%	74	74	97.37%										74	76	97.37%	On track	Improving	The single room indicator has remained on track and above the target at Q1.
D40	Clients receiving a review (%) (NI135pi)	Healthy	LAP (Part)	Social Care	7285	9538	80.41%	92%	2044	6891	29.29%										8226	9538	91.3%	On track	Declining	The projection for the indicator remains above the figure to be on track and improving at Q1.
D54	Percentage of equipment/adaptations delivered within 7 working days **(LAA 1b)(NI 132)**	Healthy	LAP (Part)	Social Care	3148	3310	96.17%	95%	4024	4722	90.8%										4024	4722	94.8%	On track	Declining	The indicator continues to perform consistently at 95.8% currently just above the target of 95%.
D67	Ethnicity of older people receiving assessment (ratio)	Healthy	LAP (Part)	Social Care	4.49	3.434	1.34	1.48	4.43	3.434	1.29										4.43	3.434	1.31	On track	Improving	The indicator remains within the acceptable ratio band and continues to perform well.
D68	Ethnicity of older people receiving services following assessment (ratio)	Healthy	LAP (Part)	Social Care	4.49	3.434	1.34	1.48	4.73	4.43	1.06										4.73	4.43	1.06	On track	Improving	The ratio is almost exactly at 1 and is a positive performance showing consistent in terms of ethnicity and assessing services.
E51	% of staff where ethnicity is recorded as contained in the CSCI staffing return (NI173pi)	Healthy	LAP (Part)	Social Care	93.8	1142.8	2.96%	1.5%																On track	Declining	Annual
E52	% of adults and older adults assessed in year where ethnicity is recorded (NI140pi)	Healthy	LAP (Part)	Social Care	28	4733	0.6%	0.7%	3	950	0.3%										3	950	0.3%	On track	Improving	The indicator remains within the threshold with a case of missing ethnicity. These are being followed up.
E53	% of adults and older adults receiving services in year where ethnicity is recorded (NI140pi)	Healthy	LAP (Part)	Social Care	43	9038	0.7%	0.3%	44	4960	0.9%										69	4960	0.9%	Off track	Declining	There has been an increase in missing ethnicity as at Q1 with 69 cases. This is being followed up.
H1	Alcohol-related treatment completions	Healthy	CS	Health and W L			867	710																Off track	Improving	There have been 867 alcohol related treatment completions in the year which is a significant increase on 2009 10. Therefore the indicator is on track to achieve the target of 710 completions.
L6	Criminal Damage (rate) but PTIs replace it (new crimes)	Safer	CS	Beliuda	4317	262781	16.43					1223	262781	3.89							4393	262781	16.81	On track	Improving	The indicator is being reported on as track at Q1 as although there is no formal target set, the projection is 16.81 which is a reduction on the 2009 10 figure. The target is the confidence level as possible.
L9	Hate Crimes	Safer	CS	Beliuda	340	262781	1.29	1.33	114	262781	0.43										456	262781	1.74	Off track	Declining	There have been 114 instances of hate crime so far this year and the projection is for 456 instances by the year end. This is an increase on the 2009 10 figure of 340 and is off track to meet the target of 1.33.
L9	Successful completions from drug treatment (proportion who successfully discharged)	Healthy	CS	Health and W L	120	388	34%																	FALSE	Declining	The successful completions from drug treatment programmes indicator is on track and improving. Although there is a slight drop on the 2009 10 figure of 34%, which is 1% above the target of 33%.
L9	Hepatitis B vaccination offers	Healthy	CS	Health and W L	517	532	97%	100%																Off track	Declining	The indicator has performed consistently throughout the year and the final outturn shows that 97% of new clients have been offered the hepatitis B vaccination. This is an increase of 3% on 2009 10.
L9	Hepatitis C tests	Healthy	CS	Health and W L	540	1176	46%	100%																Off track	Declining	The indicator is on track 2009 10 there was only 46% of new clients tested for hepatitis C. This is an increase of 1% on 2009 10 figure but still well below the target of 100%. Q4 information shows that 548 of individuals have been tested for hepatitis C. Although this is a significant increase on the 2009 10 figure, it is still well below the target. The reasons for this are being looked into. Please note that Q1 data is not shown as this is a cumulative indicator and the figures are not comparable with the year end figures. Q2 data is also not shown as the figures are not comparable with the year end figures. There are also concerns about the limited accuracy of the Q3 data reported.
L9	Hospital mortality rate	Healthy	CS	Health and W L	n/a	n/a	n/a	n/a
