**Summary:**

This report outlines the Department of People Revenue Budget for the year 2019/2020, including an analysis of how the budget, including savings, has been prepared and assumptions that have been taken.

In addition, the report includes the capital programme for the period 2019/2020.

## **1 Introduction**

This report outlines the 2019/2020 revenue and capital budgets for the Department of People.

## **2 Background and Financial Context**

Bolton Council is still facing a very challenging financial period. In the recent budget consultation report, 3<sup>rd</sup> December 2018, budget reductions of £23.5m have been allocated to directorates. This equates to £13.8m for the People Directorate. The final budget report went to Cabinet in February 2019.

This report outlines revenue and capital budgets for Children's, Adults and Public Health Services for the 2019/2020 financial year. This is the first year of a 2 year savings programme which amounts to £13.803m. Budgets will be amended during the year when reviews are realised.

## **3 Revenue Budget – Children's Services**

The local authority funded revenue budget for Children's Services amounts to £49.822m. In addition, the element of the budget to be funded by Dedicated Schools Grant, Pupil Premium and Sixth Form funding amounts to £186.957m. Therefore, the total proposed budget for Children's Services for 2019/20 amounts to £236.779m.

The dedicated schools budget report was presented at Schools Forum on the 11<sup>th</sup> January 2019 and approved at Executive Member on the 11<sup>th</sup> February 2019.

Table One below provides an objective analysis of the budget across the functions within the Children's Services Department and across Schools Budgets.
