10 th January, 2022 14:09 p.m.	Council Summons	Question to the Executive Cabinet Member for Regeneration (Councillor Warren)	Councillor Connor	Strategic Asset Management Plan	<p>As Council will know, Cabinet approved the Council's Strategic Asset Management Plan in October last year.</p> <p>Can the Executive Cabinet Member for Regeneration please therefore outline some of the achievements that have been realised as a result of approving this plan.</p> <p>In particular, would the Executive Cabinet Member please confirm how matters have progressed with regard to the asset disposals programme, which aimed to address the previous administration's repeated failure to secure budgeted capital receipts that had been built into previous Council budgets.</p>
19 th January, 2022 19:56 p.m.	Council Summons	Question to the Executive Cabinet Member for Highways and Transport (Councillor Haslam)	Councillor Hill	Daisy Hill Train Station	The train station in Daisy Hill still has no lift or proper disabled access please can you confirm that this is getting done and give an approximate timescale of when please?
19 th January, 2022 19:56 p.m.	Council Summons	Question to the Executive Cabinet Member for Environmental Service Delivery (Councillor Muslim)	Councillor Hill	Litter in Westhoughton	The regeneration of Westhoughton market street is fantastic however we still have a huge issue with litter in Westhoughton of which multiple groups including the Howfen litter pickers work very hard to clean up and we would like to know firstly if the council supports the volunteers work cleaning the community and secondly if the council has plans to improve the current services to help maintain the high standards of work these groups are doing.

15 th February, 2022 15:37 p.m.	Council Summons	Question to the Leader of the Council (Councillor Cox)	Councillor Grant	Greater Manchester Annual Air Quality Assessments Report	<p>Can the Leader confirm that Bolton Council in the years of 2019 just 5 sites primarily around the A666 were above the legal 40 micrograms per cubic meter and 2020 as is detailed in the Greater Manchester Annual Air Quality Assessments report that in the metropolitan Borough of Bolton there have been zero breaches of the 40 micrograms per cubic meter in the automatic air quality monitoring devices although a couple of areas come close due to their proximity to the motorway and A666 and showed significant reductions.</p> <p>In addition, in 2020 despite an increase of 20 diffusion tubes that levels had in fact significantly decreased and the highest area in Horwich & Blackrod which showed 35 micrograms pr cubic meter in 2019 Beehive Roundabout no longer appears on the report in 2020 as the levels have dropped that low!</p> <p>I furthermore would like to ask the Leader through whatever negotiations take place between the Government, GMCA and this council that the leader or his representative will request up to date monitoring data to reflect the current state of pollutants caused by traffic movements on our streets in Bolton and I encourage him to put Boltons best case forward for a non-charging area as we and particularly Horwich & Blackrod are now compliant and natural decay of older vehicles to new EV and a move away from Diesel along with changes to working practices will mean future monitoring will show a charging zone is no longer required in our Borough.</p>

26 th February, 2022 18:37 p.m.	Council Summons	Question to the Executive Cabinet Member for Stronger Communities (Councillor Dean)	Councillor Heslop	One Stop Shop	The one-stop-shop has been closed to walk-in residents for the past two years – apparently due to COVID19. Despite our libraries and leisure facilities being open for a while, the one-stop-shop remains closed along with the local access points in some of the other town's libraries in the borough. The one-stop-shop and access points provide a valuable service for many residents of this borough who may struggle with modern methods of communicating their concerns and accessing council services. Could the relevant Executive Cabinet Member please confirm the number of non-appointment walk-in visitors to the one-stop-shop for the financial year 2019/2020 and could that Member also confirm when the one-stop shop and all of local access points will be restored in full now that the UK government has virtually abandoned statutory COVID19 restrictions?
9 th March, 2022 16:51 p.m.	Council Summons	Question to the Leader of the Council (Councillor Cox)	Councillor Heslop	Marks and Spencer building	Information received at a previous Scrutiny Committee suggests that the Council has paid £12.74 million to Marks & Spencer but it is not clear what that payment was for. Could the Leader please confirm the amount that was factored into the original – 2017 – masterplan for Marks and Spencer, full details of the £12.74 million payment including whether this Council now owns the Marks & Spencer building and whether Marks & Spencer will be vacating the building?

10 th March, 2022 07:08 a.m.	Council Summons	Question to the Executive Cabinet Member Environmental Service Delivery (Councillor Muslim)	Councillor Silvester	Fly Tipping	<p>On the 15th December 2021, the Bolton News reported that more fly-tipping was discovered in Bolton in 2020-2021 but fewer court fines were handed out.</p> <p>The Bolton News reported that data from the Department for Environment, Food and Rural Affairs showed 1,250 fly-tipping incidents were reported to Bolton Council in 2020-2021, a 34% increase on the year before. The figures also show that just two fines, coming to a combined total of £440, resulting from court convictions were issued in the area in 2020-2021 down from 41 issued between 2019-2020 and just 13 fixed penalty notices were issued. The previous Executive Cabinet Member now Deputy Leader, Cllr. Fairclough is on record as saying, 'We will not hesitate to prosecute if your waste ends up fly-tipped and you cannot provide proof you took the necessary steps to prevent it'. In the 25 point statement of intent and priorities, point 10 states that, 'we will continue to be strong on the enforcement of litter and fly tipping, and we will commit to using what extra powers exist or are given to us, to give increased fines to those who continue to blight our landscape and environment'. I simply ask what's gone wrong ?</p> <p>https://www.theboltonnews.co.uk/news/19786641.revealed-fly-tipping-rises-bolton-fines-issued-go/</p>

10 th March, 2022 10:51 a.m.	Council Summons	Question to the Executive Cabinet Member for Highways and Transport (Councillor Haslam)	Councillor McKeon	Speed Activated Signs in Horwich	<p>On Wednesday 24th February 2021, almost 13 months ago, the three Horwich North East Ward Councillors through our Area Forum funding made the financial decision to re-locate a speed activated sign presently located on Scholes Bank, Horwich to Lever Park Avenue, Horwich.</p> <p>The monies (£2000) were transferred to Highways at the time via budget codes. Cllr. Silvester provided possible locations. The decision for the re-location was to try to avoid road accidents and speeding on Lever Park Avenue.</p> <p>Since we made the decision almost 13 months ago, 2 major car crashes on Lever Park Avenue have occurred, the first on the 5th June 2021 when a driver crashed into a garden wall and the most recent on the 6th November when a man died after crashing into a tree. Residents regularly complain of Lever Park Avenue being a race track.</p> <p>There was also a report in the Bolton News on the 8th June 2021 of a motorbike being clocked at 47mph on Lever Park Avenue. Speed activated signs give valuable data for the Police to use along a certain road for enforcement to take place.</p> <p>We have also been awaiting the location of a speed activated sign on Victoria Road, Horwich outside St John's Methodist Church, promised a few years ago which has never materialised.</p>

10 th March, 2022 11:27 a.m.	Council Summons	Question to the Executive Cabinet Member for Children's Services (Councillor Galloway)	Councillor Donaghy	Harvey Nursery Collaborative Working Group	<p>At the Council Budget meeting, Council agreed that a viable business plan, (through a collaborative Working Group) looking at available reserves, will enable Harvey Nursery to remain open long term, with the intention that the current subsidy be reduced to as low as possible and that full reports on the progress of this business plan be brought to the Executive Cabinet Member.</p> <p>With this in mind, and despite the Executive Cabinet Member and the Conservative Group voting against this resolution, can the Executive Cabinet Member please confirm the following:</p> <ol style="list-style-type: none"> 1. What are the terms of reference of the Collaborative Working Group. 2. Who are the members of the Group. 3. What mechanism has been put in place for the minutes of this Group to be reported to members 4. What timescale has been given the Working Group to finalise its recommendations 5. 11 th March, 2022 11:04 a.m.	Council Summons	Question to the Executive Cabinet Member Deputy Leader (Councillor Mrs. Fairclough)	Councillor Khurram	Minimum Licensing Standards	<p>At the Cabinet meeting of the 10th January, the item on Stage 2 of the Minimum Licensing Standards (MLS) for taxis and private hire vehicles was, according to the minutes deferred to the next meeting on the 7th February. However, the item did not subsequently appear on the agenda at that meeting, nor did it appear on the agenda of the meeting on the 7th March either.</p> <p>Has the Executive Cabinet Member and her fellow Cabinet colleagues forgotten about this item?</p> <p>If not, can she confirm to Council when, if at all, this item will be coming back for a decision?</p>
11 th March, 2022 11:05 a.m.	Council Summons	Question to the Executive Cabinet Member Deputy Leader (Councillor Mrs. Fairclough)	Councillor Zaman	Minimum Licensing Standards	<p>Notwithstanding the answer given by the Executive Cabinet Member to my colleague, Cllr Khurram, if the Cabinet does find time to consider MLS stage 2 item, will she agree with me and the Labour Group that the MLS should not be approved by this Council on the grounds that recommendation 3 on vehicle emissions cannot proceed until the Government clarifies its confused position on the Clean Air Zone, and recommendation 2 on vehicle age needs further consideration.</p>
11 th March, 2022 11:06 a.m.	Council Summons	Question to the Executive Cabinet Member for Environmental Service Delivery (Councillor Muslim)	Councillor Peel	Clean Air Zone	<p>In 2019 the Government instructed the 10 GM Councils to introduce, and I quote “a charging clean air zone”. In July 2020, the current Conservative Cabinet approved the Clean Air Zone in Bolton. It has long been a matter of public record that Bolton Labour Group have been opposed to any form of charging scheme to achieve clean air compliance. The Mayor of GM, has now written</p>

					<p>to the Prime Minister on behalf of the 10 authorities to ask the Government to rethink their mandate for a charging CAZ.</p> <p>Despite the publicly stated policy of this Conservative Council, which is to support a charging Clean Air Zone, will the Executive Cabinet Member now agree with me that the Government need to back down and withdraw their instruction to Bolton and others for a charging CAZ.</p>
13 th March, 2022 07:15 a.m.	Council Summons	Question to the Leader of the Council (Councillor Cox)	Councillor Heslop	Manchester Airport	<p>On 5th May 2020 it was reported by the BBC that Bolton Council will pay £13 million to bail out MAG due to the downturn in traffic caused by COVID19. Prior to this, on 8th February 2019, it was reported by the Manchester Evening News that Bolton Council could be expected to pay £5.6 million towards the then proposed drop-off for Terminal 2. These amounts were in addition to the expected £11 million Bolton Council contribution to the £1 billion development of Manchester Airport.</p> <p>Could the relevant ECM confirm the exact amounts paid towards MAG by this Council in the past five years including the dates. In addition, could the ECM also confirm whether any future payments are due and the expected dates, and finally, as we were previously told – in 2019 – that there was no capital available, how these amounts – if applicable – have been financed?</p>

13 th March, 2022 07:18 a.m.	Council Summons	Question to the Executive Cabinet Member for Regeneration (Councillor Warren)	Councillor Heslop	Farnworth Masterplan	According to recently obtained figures for the Farnworth Masterplan, the total spending amounts to nearly £18 million which consists of the grant of £13.27 million from the Future High Streets Fund, £506,498 historical funding and £4 million council contribution. Other than Farnworth Leisure Centre on Brackley Street, could the relevant ECM confirm exactly which buildings the council will own following the completion of the redevelopment?
13 th March, 2022 11:27 a.m.	Council Summons	Question to the Leader of the Council (Councillor Cox)	Councillor Hayes	Review of Special Responsibility Allowances	<p>I thank the Leader for his commitment at the Budget Council to ensure that a review of Special Responsibility Allowances (SRAs) will be carried out.</p> <p>Can he please confirm that:</p> <p>a) The review will be carried out without further undue delay, the review having been originally promised in 2019;</p> <p>b) That the review will be with a view to seeing whether there is scope for reducing the number of SRAs and their total cost; and</p> <p>c) That opposition parties will be able to submit evidence to the review and have it considered.</p>
13 th March, 2022 11:27 a.m.	Council Summons	Question to the Chairman of the Planning Committee (Councillor Walsh)	Councillor Hayes	Planning Service	<p>A large number of the complaints I get about Council services relate to the Planning function.</p> <p>Recently it has emerged that there is frequently a delay of up to a month between the receipt of a planning application and it being notified to residents and Councillors. I find that delay to be unacceptable, and</p>

Can the Executive Member please give us an update on this ambition?
13 th March, 2022 22:36 p.m.	Council Summons	Question to the Executive Cabinet Member for Environmental Service Delivery (Councillor Muslim)	Councillor Ayub	Street Cleaning	<p>In the winter months street cleaning is crucial to keep the dirt and mud away from our streets. However, according to the council officers there has been and I quote</p> <p>“no sweeping is taking place between January and March as all of our sweepers were stood down in the new year and are standing down in order to meet the constraints of the most recent budget cuts made by the Council”</p> <p>In further correspondence with the officers, it has been highlighted that no sweeping will take place till April.</p> <p>This is not only an issue in Great Lever but the Borough as a whole and has been highlighted by my colleagues.</p>

Date and Time 2022	Page and Item Number	Amendment Motion, Question Or Comment	In the name of	Subject	Motion, Amendment or Question
					<p>This is absolutely and utterly disgraceful and surely you should be lobbying your government to find funds to enable the streets to be cleaned. The lay person does not care about the council cuts, but they do expect the council to keep the street and roads clean from mud and dirt both for safety and looks perspective.</p> <p>Can the Executive Cabinet Member inform us when and how the decision was made to stop road sweeping that too in the winter months when it is needed the most? How do you expect the streets to be kept clean without resources to sweepers?</p>
13 th March, 2022 22:48 p.m.	Council Summons	Question to the Executive Cabinet Member for Wellbeing (Councillor Baines)	Councillor Haworth	Living Wage for Care Workers	<p>The pandemic has caused many people to both take more notice of care workers and to better value care workers. Over the pandemic period this has resulted in more councils agreeing to the real living wage pay rate for directly employed care workers and those employed in council contracts with external providers of care. This move has enabled more councils to also become accredited Real Living Wage Councils with The Living Wage Foundation. It is recently announced that Bolton Council has agreed a real living wage pay rate of £9.90 an hour for all care workers. To ask the Leader of the Council if he will back Bolton Labour's pledge for the Council to become an accredited Real Living Wage Employer?</p>
