Dear Resident,

Your Councillors would like to invite you to your Rumworth Area Forum event to help improve services in the area.

The Area Forum event is one way of finding out what your views and suggestions are about local Council services and to share information with you. The Council's partners such as the Primary Care Trust, Police and Bolton at Home also feel that these events are a good way to engage with you and to listen to what you have to say about their services.

During the main part of the meeting we will be focusing on Community Safety and your local Police Officers will be available to assist with any issues or concerns you may have.

With this in mind, your forum will be an opportunity to come and talk to your Councillors on a "one to one" basis about your concerns, you can also meet your local Police Officers and speak to your senior Council manager about the services you are receiving.

I do hope that you will come and join us, bring a friend along and, help develop a new approach to improving services.

I hope to see you soon.

Yours sincerely,

**Shaheen Sameja**  
**Area Co-ordinator.**
