Dear Resident,

**Re: Little Lever and Darcy Lever Area Forum**

Your Councillors would like to invite you to your Little Lever and Darcy Lever Area Forum event to help improve services in the area.

The Area Forum event is one way of finding out what your views and suggestions are about local Council services and to share information with you. The Council's partners such as the Primary Care Trust, Police and Bolton at Home also feel that these events are a good way to engage with you and to listen to what you have to say about their services.

During the main part of the meeting Sarah Schofield, Assistant Director of Neighbourhood Services will be focusing on Environmental issues, including the cleanliness of the village, litter problems and dog fouling. Furthermore, Tim Evans Chief Executive of the Primary Care Trust will be giving an update on the proposed new health centre.

With this in mind, your forum will be an opportunity to come and talk to your Councillors on a "one to one" basis about your concerns, you can also meet your local Police Officers and speak to your senior Council manager about the services you are receiving.

I do hope that you will come and join us, and, help develop a new approach to improving services.

I hope to see you soon.

Yours sincerely,

Adrian Wolstenholme,  
Area Co-ordinator.
