3. Support for the part of the experimental order referring to to Armadale Road, Langside Drive, Birchfield Grove, Winton Grove, & Crossford Drive, Bolton were received from:

AK	155 Armadale Road

BT 170 Armadale Road

Objections

Armadale Road, Langside Drive, Birchfield Grove, Winton Grove, & Crossford Drive, Bolton

- 4. The majority of objectors do so on the grounds that the restrictions on Armadale Road should be extended with various lengths being proposed and most are of the opinion that the proposal will not address issues on this road.
- 5. Some objectors have expressed their concern that the proposal to introduce lines into roads off Armadale Road would result in a loss of parking for householders and their visitors and a devaluation of their house prices.
- 6. One objects to being restricted from parking on a highway.
- 7. Some objectors have stated that if teachers and staff at Ladybridge School were forced to use Rumworth School car park, which they state has been extended and regularly has many spaces available.
- 8. Some objectors have expressed concern that buses struggle to stop at the bus stop just outside these proposals leading to them having to double park thereby blocking access for other vehicles and the lines should cover this as they consider it is dangerous..

Support

Armadale Road, Langside Drive, Birchfield Grove, Winton Grove, & Crossford Drive, Bolton

- 9. An expression of support also commented that the lines on Armadale Road should be extended.
- 10. One expression of support has been made without further comment.

Observations

- 11. The Executive Member is reminded that there is no facility on a Traffic Regulation Order to extend proposed restrictions, only to reduce or remove them
- 12. The restrictions were requested by Ward Members to address issues of school parking obstructing sightlines. Additional lines were included on roads off Armadale Road to prevent displacement,
- 13. The restrictions advertised were placed with the intention of running up to an existing advisory Bus Stop clearway marking with the intention of creating a full and enforceable clearway when funding permits.

- 14. Although a school car park is partially unused we do not possess powers to enforce motorists to use it however a reduction in space available on the highway may encourage its use.
- 15. There are concerns that some motorists already exceed the current 20 mph speed limit in this area, any extension of restrictions could result in a further increase.
