**1. Background**

1.1 From November 2005 all permissions for AWP machines in pubs and nightclubs which hold a 'premises licence' have been granted by the Council and, since September 2007, by way of a permit granted under the provisions of the Gambling Act 2005.

1.2 In October 2005 Members resolved to change the Council Scheme of Delegation to enable applications for AWP permits for certain premises to be processed and for permits to be issued without reference to a Committee hearing in accordance with guidance from the Department for Culture Media & Sport.

The resolution is as follows:

- i) That authority to grant or renew Gaming Machine Permits where:
  - a) The application is received from or on behalf of the holder of a 'premises licence' issued under the provisions of the Licensing Act 2003 which permits the sale of alcohol for consumption on the premises, and
  - b) Is for a maximum of two AWP machines (or such number as members consider to be appropriate), and
  - c) The AWP's are located within the area of the building, which is covered by the 'premises licence'

is delegated to the Director of Environmental Services.

1.3 In circumstances other than those outlined in Para 1.2, the application is referred to the Licensing Act Committee to be determined.

1.4 The Gambling Act 2005, was fully implemented in September 2007, and changed the way in which AWP machines are regulated.
