Hi Claire

Our Account Manager in charge of the Saddle has come back to me with the reply below in relation to the question you asked regarding justification of a third machine in the above premises.

I trust this clears this up, but if you have any further questions please let me know.

Regards

Erica Hamilton

Erica

The reason for the application for the third machine at the Saddle is due to the pub becoming busier and growing its customer base over the last six month.

As the pub has become busier the demand for the gaming equipment has grown as has the level of income.

Thanks
