

Date: 1 September 2010

Two Towns Area Forum Meeting

Renewable Energy Centre proposal for Blackrod

- What is a renewable energy centre?
- Where is the proposed site?
- What would the impact be on residents?

Chief Executive's Department

Tuesday, 14 September 2010

6:30pm - drop-in

7:00pm - main meeting

Blackrod Community Centre, Greenbarn Way, Blackrod BL6 5TG

Dear Resident,

Your Councillors would like to invite you to your Two Towns Area Forum event to help improve services in the area.

Between 6:30pm and 7pm, you can come and talk to your Councillors on a "one to one" basis; you can also meet your local Police Officers, a representative from the Royal Bolton Hospital NHS Foundation Trust, and speak to your senior Council manager about the services you are receiving.

During the main part of the meeting from 7pm we will be focusing on a proposal by the company Blue-NG to build a renewable energy centre in Blackrod. Representatives of Blue-NG will be present to explain the proposals, outline what the site would look like if approved, suggest what the likely impact would be on local residents, and also to answer your questions.

The Area Forum is open to all sections of the community. All our venues have disabled access and an induction loop is available on request. Please feel free to contact us in advance of the meeting if you require any assistance.

If you feel you may have difficulty travelling to and from the venue please do not hesitate to contact Ring and Ride on 01204 398111 between 11.15am and 12.45pm, giving 24 hours notice, and they will do their best to help. Please note that you will need to register with Ring and Ride in advance of making these arrangements.

I do hope that you will come and join us and bring along a friend. See you on the night!

Yours sincerely,

Val Cloynes
Area Co-ordinator

Two Towns Area Forum
